

## FAQ (continued)

We are members of the central division composed of teams from Appleton North, East and West as well as Hortonville. Non-divisional games may require travel as far north as Marinette or as far south as Port Washington. There is no bussing to or from games, families are expected to arrange their own player's transportation.

Due to record registration in 2023, we will likely have two 6th and two 7th grade teams this season to ensure adequate playing time and development of all of our players. This will not be an A/B team, nor will it be divided by school system, but split as equally as possible to ensure a great experience for all and will allow development of more players at more positions. While this is a very competitive league, our focus is on development of players, helping them to build friendships and memories and to love the game of football.

### **Player/Fan/Parent Code of Conduct:**

Players will conduct themselves in a Christian manner at all times while interacting with teammates, opponents, coaches and referees and fans.

If there are concerns/questions about playing time in games, the first step is for the PLAYER (not the parent) to address it with a coach. If a parent feels the concern was not adequately addressed with the player directly, parents may then contact the head coach. Remaining concerns, or any other concerns that are not team specific, should be directed to the program director Peter Katz at [foxvalleysaints@gmail.com](mailto:foxvalleysaints@gmail.com).

### Game day:

At all Saints home games, there will be a **zero tolerance policy** with any negative behavior/yelling at coaches, players or referees. Any fan demonstrating such behavior will be asked to leave, and referees will be instructed not to restart the game until the offending fan has been removed from the stadium, no warnings.

### **Items from athletic trainer Dakota Krainitz:**

1. SportGait baseline concussion testing renewed every year, so please sign up for a slot on the SignUp Genius website that will be sent out this summer.
2. Dakota will be at every home game and is happy to help with any questions you have
3. If your athlete does get injured, whether it is in football or not, please let Dakota know so she can assist you in any way that she can for the best outcome. Feel free to call, text, or email at any time at 920-960-7560 or [dakota.kraintz@ascension.org](mailto:dakota.kraintz@ascension.org).
